Same as the Royal Lottery of Cuba-with this differences the Havana Lottery has \$5,000 Numbers-this has only There are two wheels, on each of which there are placed two Locky. The Superintendence have each a key to the Locks, an the wheels cannot be opened unless both are present. There are placed in the wheel of numbers the ntes-containing silps of paper with the numbers from No. to 15,000. In the wheel of prims there are placed tim rubes containing slips of paper with the prims on them ranging from \$10,000 to \$500. ranging from \$15,000 to \$500.

When the drawing takes place, which will be in pablic, the wheels are unlocked, and after revolving them, a number is drawn out of the wheel of numbers, and at he same time one is drawn out of the Prize wheel by boys with arms bared to the shoulder and bindfuided—the tube is slipped off, and the number held up and enrolled, so that the whole off, the tre name and the number is then called off and reg-tatered by the Superintendents. The Fries draws is creditof to the number drawn at the same time, and so on small all the preses are drawn out. A copy of the drawing is then sent to the printers, and after comparison the S denis certify to the correctness of the drawing. rintendents are swort to perform their duty
